A Grimm Legacy (Grimm Tales) (Volume 1) Janna Jennings

Enchanted castles and charming princes thought to exist only in stories come to life in this classically twisted fairy tale that combines the timeless quality of generations old folktales with the challenges of the modern world. The woods of Elorium appear ordinary to Andi Grace, until birds start talking and elves answer doors. Along with three others, Andi has been whisked out of her world and finds herself the reluctant guest of the perplexing millionaire, Mr. Jackson—a stranger willing to help get them home, but who's keeping secrets of his own. Discovering unexpected family connections to this fairy tale land, the group must rely on each other as they dodge evil fairies and battle giants, intent on keeping them in Elorium. Faced with characters short on whimsy and bent towards treachery, Andi, Quinn, Fredrick and Dylan are forced into fairy tale roles to find the way home. But in Elorium, happily ever after is never guaranteed.
