Approaches to Teaching the Works of Ngugi wa Thiong'o (Approaches to Teaching World Literature)

Ngugi wa Thiong'o is one of the most important and celebrated authors of postindependence Africa as well as a groundbreaking postcolonial theorist. His work, written first in English, then in Gikuyu, engages with the transformations of his native Kenya after what is often termed the Mau Mau rebellion. It also gives voice to the struggles of all Africans against economic injustice and political oppression. His writing and activism continue despite imprisonment, the threat of assassination, and exile.

Part 1 of this volume, "Materials," provides resources and background for the teaching of Ngugi's novels, plays, memoirs, and criticism. The essays of part 2, "Approaches," consider the influence of Frantz Fanon, Karl Marx, and Joseph Conrad on Ngugi; the role of women in and influence of feminism on his fiction; his interpretation and political use of African history; his experimentation with orality and allegory in narrative; and the different challenges of teaching Ngugi in classrooms in the United States, Europe, and Africa."
