Yiye Ávila

El ayuno del Señor (Spanish Edition) Yiye Ávila

Estamos en los últimos tiempos, así que se acerca la segunda venida de Jesucristo. Por eso el diablo está empeñado en impedir que el pueblo de Dios ayune, ore y se prepare para el Rapto. Este estudio conciso sobre el ayuno será una luz en las tinieblas de la ignorancia de muchos cristianos. Será una luz sobre un tema muy importante, pues el ayuno es un instrumento poderoso para adquirir pleno crecimiento espiritual, el medio para provocar un avivamiento y el instrumento para romper los yugos del diablo y dar fruto abundante para Dios. Además, se incluye una orientación que hay que seguir durante la primera semana después de un ayuno largo. En este libro, Ávila aborda diversos aspectos del ayuno cristiano, tales como sus bases bíblicas, los diversos tipos de ayuno (parcial, completo, con agua, etc.), la manera de comenzar a ayunar si no lo ha hecho antes y, lo que es más importante, cómo terminar un ayuno, debido a que si se come mucho después de un ayuno prolongado, puede afectar la salud. Además, nos habla de la utilidad del ayuno como arma espiritual, la parte de la oración en lo que respecta al ayuno y los beneficios físicos del mismo.
