Living Off the Grid Box Set (2 in 1)

Book One: Living Off the Grid: A Beginner's Guide to an Independent and Self-Sustaining Lifestyle

Want to get away from it all?

One of the biggest problems we face today is that we are way too dependent on society and its infrastructure in order to survive. We have to have electricity, cable, internet, and all kinds of things to live and it is stressing out way too much, let alone dealing with crime, drugs, gangs, and all the other things that go bump in the night

We are not talking living like a caveman, but having residence with electricity, water, sewer, TV and internet, food, and shelter from storms, and not have to worry about sharing it with the neighbors when disaster hits.

In this book you will learn:

- How to select a proper site
- How to decide on your residence
- How to get water
- How to handle sewage
- How to be your own electric company
- How to have internet even if you are miles from civilization
- How to have a garden and raising animals
- How to properly prepare your own foods to be safe for unrefrigerated storage

Book Two: Off the Grid Living: Your Guide To A Frugal,

Independent And Self Sustainable Life

In these days of expensive, polluting energy more and more people are choosing to live 'off the grid'. What does this mean? Traditionally the phrase refers to people who chose to disconnect from the electricity grid and survive either without power or to generate their own. As alternatives such as solar and wind power have become cheaper and more efficient this choice is becoming more and more mainstream.

For many people, however, living off the grid is a lifestyle choice where they go even further, providing their own water and growing or rearing their own food. Is this the lifestyle for you? This book will help you decide

Inside You Will Learn:

- What an off the grid home looks like and how to choose the right one for you.
- How to deal with zoning restrictions.
- How to ensure that you have access to clean, safe water.
- How to dispose of your waste water.
- The energy choices available and how to decide which one is right for you.
- How to start your own kitchen garden.
- Whether you can trap and hunt your own food.
- Husbandry for beginners.
- Whether the off the grid lifestyle is right for you.
- How to prepare yourself for the change
- And Much More

Packed with a wealth of advice that will help you decide what changes you need to make to pursue the lifestyle of your dreams this book is an invaluable tool for all those looking to investigate living off grid and start a sustainable, self-sufficient lifestyle.
