Children in Family Contexts, Second Edition: Perspectives on Treatment

Children in Family Contexts, Second Edition: Perspectives on Treatment

Now in a fully revised and updated second edition, this text and professional resource provides a practical guide to family-based therapy for childhood emotional and behavioral problems. Presented are innovative assessment and treatment strategies that take into account children's developmental needs, different family forms, health and environmental challenges, and relationships with larger systems. Reflecting 15 years of clinical advances and the changing contexts of family life, the second edition features many new chapters and new authors. New topics include gene-environment interactions, integrating family therapy with child pharmacotherapy, working with foster families, and treating disrupted attachments.
