When it comes to luck . . . A Chinese proverb says, "The more you know, the more luck you will have." Another way of saying this is: Luck comes to those who dare to create it.

Let *Ea\$y Dollar\$* help you create your own luck, and play the Pick 3 and Pick 4 Daily Lotto to Win!

Here is what a reader has to say:

"Please use this letter in your ads and maybe it might save someone else from the same blunders! I'm sorry to say that I purchased your book *Ea\$y Dollar\$* back in 1995 and never bothered to even get past the first chapter. Recently, in the process of moving, I came across it neatly packed away and decided to give it a shot. WOW!!!! Following your system, I hit the Florida Cash 3, 5 out of 7 days straight! Then, I broke every one of your rules. I decided to make some improvements to the system, wager way more money than I could afford and lost every single play for the past two weeks! Needless to say, I am now back on track, following the rules in the book and back to winning again. I look forward to reading your other works."
