Hailed as a "landmark science fiction series," the Sten novels have thrilled millions of readers all over the world. Set three thousand years in the future, they tell the tale of a tough, street-wise orphan who escapes his fate as factory planet "delinq" to become the strong right-hand of the most powerful man in the Universe -- a virtually immortal figure known to his billions of subjects as "The Eternal Emperor." THE FIRST ADVENTURE Born on Vulcan, a factory planet where human life has less value than the lowliest machine, Sten rebels against The Company following the mysterious death of his parents. He harasses the Company from the mazelike warren of tunnels beneath the planet. He could have been just another "delinq" -- but people like Sten never give up...
