The Wolf You Feed (Vargr Clan Trilogy) (Volume 1) Angela Stevens

Tore Vargr finds his world turned upside down when he is forced to choose between the love of his life and the life he loves. He chooses Annike, disrespects his brother, Erik, and sets off a chain of events that shape his life in a way he could never have imagined. Outlawed from his clan, Tore embraces his new responsibilities of father and protector as he carves out a new life in a human world. But a jealous brother has a long memory and Erik is nothing if not patient when it comes to exacting revenge. When Tore's past catches up with his present, he has to learn to pull from an inner strength. There is a battle of two wolves inside us all. One is evil: it is anger, envy, greed, arrogance, jealousy, resentment, lies. The other is good: it is joy, peace, love, hope, humility, kindness, empathy, truth. The wolf that wins? The one you feed. Cherokee proverb Spanning two generations The Wolf You Feed is the first book in a heartbreaking trilogy set in the shape shifting worlds of werewolves and skin walkers.
