Culture and Space: Conceiving a New Cultural Geography (International Library of Human Geography) Joel Bonnemaïson

Drawing upon 30 years work which took him to Madagascar, New Hebrides, Australia, and New Caledonia, Joel Bonnemaïson's work presents an original and refreshing alternative to the more traditional Anglo-American approach to cultural geography. Bonnemaïson provides a true kind of anthro-geography as he explores questions around the geography of culture and the anthropology of space.
