Feedback: The Video Data Bank Catalog of Video Art and Artist Interviews (Wide Angle Books)

Founded at the inception of the media arts movement, the Video Data Bank is the leading collection of videos by and about contemporary artists. These holdings, catalogued in print for the first time, constitute the history of media arts. In addition to the catalog of holdings, "Feedback" also includes essays on the history of media arts, the Video Data Bank, video activism, experimental performance art, and the special collection of the Data Bank, the On Art and Artists Collection. An indispensable guide and reference for artist, students, teachers, and collectors, "Feedback" is an essential book for any film and video bookshelf.
