La mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition) Julio Glockner

Desde un enfoque antropológico y sensible, Julio Glockner, especialista en la cosmovisión y ritualidad de los pueblos indígenas, se coloca en una posición donde las experiencias personales conviven con la investigación académica tradicional.

Una lectura clara, profunda y sólidamente argumentada que despejará los prejuicios del lector sobre las sustancias psicoactivas y le ayudará a obtener una nueva apreciación de las prácticas de su consumo entre los pueblos originales de América.

Desde hace milenios, en el mundo amerindio se ha vivido intensamente la experiencia de otra realidad, una que es intangible y, sin embargo, complementaria de la que experimentamos todos los días. A esa realidad alterna todos los humanos tenemos acceso a través de los sueños, las disciplinas ascéticas o la modificación de la conciencia ordinaria mediante el empleo, **ritual** o no, de aquellas sustancias naturales conocidas como **enteógenos**.

Sin embargo, no todas las culturas valoran de la misma manera las consecuencias y potencialidades de ese acceso, ni todas capacitan a los individuos que las conforman para llevarlo a cabo. Las puertas de entrada a esa alteridad radical han sido siempre oníricas y bioquímicas, y permanecen abiertas para cualquiera que esté dispuesto a cruzar su umbral, adentrándose en un ámbito que sólo puede ser contemplado con la propia mirada interior.

En un recorrido historiográfico de esta práctica y una suma de consideraciones científicas, este libro explora la confrontación de perspectivas entre la **cultura occidental** y la cosmovisión de algunas **culturas amerindias** a través de un largo periodo temporal, que comprende desde la llegada de Cristóbal Colón a las Antillas hasta las experiencias de Gordon Wasson en la sierra mazateca.

From reader reviews:

Ezra Talbott:

Book is to be different for every grade. Book for children till adult are different content. To be sure that book is very important for all of us. The book La mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition) has been making you to know about other understanding and of course you can take more information. It doesn't matter what advantages for you. The reserve La mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition) is not only giving you much more new information but also for being your friend when you feel bored. You can spend your current spend time to read your guide. Try to make relationship with the book La mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition). You never truly feel lose out for everything when you read some books.

Joseph Wood:

Nowadays reading books be a little more than want or need but also become a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The knowledge you get based on what kind of book you read, if you want send more knowledge just go with education and learning books but if you want feel happy read one having theme for entertaining including comic or novel. The La mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition) is kind of e-book which is giving the reader unforeseen experience.

Kevin Pennell:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this La mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition) can make you really feel more interested to read.

Steven Burley:

Publication is one of source of information. We can add our expertise from it. Not only for students but also native or citizen need book to know the revise information of year to year. As we know those guides have many advantages. Beside we all add our knowledge, also can bring us to around the world. Through the book La mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition) we can consider more advantage. Don't you to be creative people? To be creative person must like to read a book. Merely choose the best book that suited with your aim. Don't end up being doubt to change your life with this book La

mirada interior: Plantas sagradas del mundo amerindio (Spanish Edition). You can more attractive than now.
