'Lost Treasures Collection' This is the First publication I've made. There is a revised edition published called "Damien's Lost scripts" which has this book compiled into it along with many other writings. This is a collection of literature and poetry which most never made it past my own eyes. Dark and twisted, often referred to as being morbid or demented. This is a collection of poetry and prose that I had felt was not good enough to be published, strung together to make some sense out of the chaos in my mind. They are my lost Treasures. WARNING: Mature Readers, Strong graphic language.. By: Matthew Wayne
