## **The Unity of Consciousness** Tim Bayne

In *The Unity of Consciousness* Tim Bayne draws on philosophy, psychology, and neuroscience in defence of the claim that consciousness is unified. In the first part of the book Bayne develops an account of what it means to say that consciousness is unified. Part Ii applies this account to a variety of cases - drawn from both normal and pathological forms of experience - in which the unity of consciousness is said to break down. Bayne argues that the unity of consciousness remains intact in each of these cases. Part Iii explores the implications of the unity of consciousness for theories of consciousness, for the sense of embodiment, and for accounts of the self. In one of the most comprehensive examinations of the topic available, *The Unity of Consciousness* draws on a wide range of findings within philosophy and the sciences of the mind to construct an account of the unity of consciousness that is both conceptually sophisticated and scientifically informed.

### From reader reviews:

#### **Christopher Larsen:**

What do you concerning book? It is not important together with you? Or just adding material when you really need something to explain what your own problem? How about your time? Or are you busy person? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? All people has many questions above. They must answer that question because just their can do that. It said that about guide. Book is familiar on every person. Yes, it is appropriate. Because start from on kindergarten until university need this kind of The Unity of Consciousness to read.

#### **Edwin Ball:**

Many people spending their time frame by playing outside together with friends, fun activity having family or just watching TV all day every day. You can have new activity to spend your whole day by reading a book. Ugh, you think reading a book can actually hard because you have to bring the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Touch screen phone. Like The Unity of Consciousness which is getting the e-book version. So , try out this book? Let's observe.

#### **Luther Keller:**

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Unity of Consciousness can make you sense more interested to read.

#### **Robin Lawrence:**

Some people said that they feel bored stiff when they reading a publication. They are directly felt this when they get a half regions of the book. You can choose often the book The Unity of Consciousness to make your personal reading is interesting. Your skill of reading skill is developing when you like reading. Try to choose basic book to make you enjoy to study it and mingle the idea about book and reading through especially. It is to be 1st opinion for you to like to open up a book and learn it. Beside that the guide The Unity of Consciousness can to be your brand-new friend when you're sense alone and confuse with what must you're doing of this time.
