## **An Illustrated Guide to Veterinary Medical Terminology** Janet Amundson Romich

An Illustrated Guide to Veterinary Medical Terminology includes general and species-specific coverage of terms that those working in the animal health care industry need to know. This comprehensive guide is organized by body system and includes individual chapters on both large and small animals. Its numerous line drawings and photographs reinforce understanding of sometimes difficult terminology through visual learning. The workbook format of this text encourages learning through interactive activities and exercises. Appendices provide quick access to frequently used prefixes, suffixes, and abbreviations.
