With this in mind, we decided to publish a series of “2 in 1” Christmas sheets arranged in a piano vocal (PVG) format that has only the specific title(s) that you are interested in buying this holiday season. Rather than purchase a large “costly” collection of songs that you may or may not have an opportunity to perform this year, we have provided an inexpensive alternative. For just \$4.95, you can buy just those one or two songs you truly want. That’s two songs for the price of one! Each arrangement is derived from Santorella Publications’ best selling Piano Vocal Christmas songbook, *The Best Of Christmas \* Piano Vocal Edition* by Jonathon Robbins which is also available with or without a performance CD. If cost is not an issue and you’d like to purchase this fantastic collection, be our guest, but if a big songbook is just not in the Christmas budget this year, now you can buy only those titles you’ve settled on for your holiday performance.
