"A brilliant, spellbinding, and empowering masterpiece by survivors Tahirah Ogletree". This book is guaranteed to change your life forever" - Lauren Wise - Chief Editor After 16 years, author Tahirah Ogletree, actress, charismatic leader, model and indie filmmaker, broke her silence as a domestic violence survivor by advocating for those struggling to live beyond the power of the fist. In doing so, she empowered 13 other courageous survivors to break their silence, including the legendary two-time Olympic gold medalist and All-Star WNBA champion Ruthie Bolten. The collection of these accounts became the foundation for Survivors Celebrating Life Beyond Domestic Violence, a powerful and insightful coffee table book dedicated to advocating for current victims, and bringing together other survivors. This book proves that no matter what you might be facing, everyone can heal and move forward with faith, forgiveness, strength and perseverance. These tear-jerking stories from around the world take you on an in-depth journey of unwavering courage and strength, interlaced with inspiring quotes, supportive campaigns and a survivor's declaration, facts about stalking, beautiful portraits, tips on how to detect and a comprehensive breakdown of early warning signs of domestic violence, known as the "Red Flags"-even a batterer's compelling confession. But it doesn't stop there-those needing current assistance will find a wealth of resources, including a comprehensive breakdown on staying safe and thriving, a health and wellness detox plan and back-on-your-foot budgeting sheet, as well as a list of domestic violence hotlines with 24/7 access to highly trained advocates for immediate support.
