what i think and why Craig Kilpatrick

This book was written to convey the author's thoughts, beliefs and philosophy to his grandchildren about why we are the way we are; the big picture; Freud's ideas; sex, romance and love; truth; religion; politics; prejudice, racism, discrimination and stereotypes; education; parenting; aging; life's lessons. If the author croaks before his grandchildren are old enough to talk about these things with him, he wanted them to know what he thought. If anyone else is interested in reading about his thinking, any profit made by the author from the sale of this book will be donated to charitable organizations that benefit the poorest people in the world.
