Coated with Fur: A Vet's Life Kristen Nelson

Coated With Fur celebrates the deep bond between humans and animals. Set in a veterinary practice, the book chronicles Dr. Kristen Nelson's triumphs and trials as a young woman owning her first animal hospital. Experience each day as Kris did, from the joy of saving a dog's leg to the agony of euthanizing a long-term patient. Marvel at what it took to untangle a snake stuck in a doorway, scaring the society ladies in the waiting room. Through it all, embrace the unconditional love that exists when we open ourselves to the wonders of the human-animal bond.
