## **Jobs That Don't Suck: What Nobody Else Will Tell You About Getting and Succeeding in the Job of Your Dreams** Charlie Drozdyk

"I completely and totally remember what it's like graduating from college and having absolutely no clue what to do with my life."

--Charlie Drozdyk

Sound familiar? Then turn off the tube, get off the couch, and read this book. Why this book? Drozdyk isn't one of those so-called career experts who tells others how to get a job but hasn't gotten one himself in years. He has learned firsthand how to open doors that seem jammed shut and get an offer over hundreds of other applicants. His advice comes straight from the employment trenches. Here's his advice on:

Deciding which job is right for you--and which ones will lead to a life of eternal misery

Resumes and cover letters--what works, what sucks, what you can get away with

Interviewing Hell--staying cool in the hot seat

Successful

Getting your boss to love you--and giving good phone

Moving up the ladder--from being an assistant to having one

Full of interviews with people in cool jobs, such as fashion editors, film producers, advertising copywriters, TV execs, and pop-culture critics, **Jobs That Don't Suck** shows you how to get ahead and stay ahead.
