Genesis to Numbers. This volume is the first of three on the Old Testament. It begins with a discussion of the importance of studying the Old Testament, and the role of Jesus Christ in the Plan of Salvation and His selection as our Savior in the premortal council in heaven. We read concerning the process of creation, the placing of Adam and Eve in the Garden of Eden, and their fall into mortality. We learn briefly about Cain and Abel, followed by brief discussions of all the patriarchs from Adam to Abraham, Isaac, and Jacob. We follow the story of Joseph in Egypt followed by the migration of Jacob's family to that land for survival. We read of the rise of Moses, the Exodus, and the events at Mt. Sinai. Then we study the rebellion of the children of Israel and their wandering in the wilderness for 40 years. The cover features a beautiful image of Abraham's Journey from Ur to Canaan, painted by Jozsef Molnar in 1880. Table of Contents: Ch. Title Scripture Refs ** Studying the Old Testament (D&C 1) 1.
