Ernesto Che Guevara

Reminiscences of the Cuban Revolutionary War: Authorized Edition (Che Guevara Publishing Project) Ernesto Che Guevara
THE BASIS OF THE MOVIE “CHE: PART ONE” FROM STEVEN SODERBERGH STARRING BENICIO DEL TORO

The dramatic art and acute perceptiveness evident in Che Guevara’s early diaries fully blossom in this highly readable and often entertaining account of the guerrilla war that led to the 1959 Cuban Revolution. *Reminiscences* is one of the two books for Steven Soderbergh’s biopic (along with *The Bolivian Diary*).

Feature chapters describe Che’s first meeting with Fidel in Mexico, the mythical moment when Che had to choose between a knapsack of medicine and another of ammunition, and the anguished story of the murdered puppy.

This new, thoroughly revised edition includes for the first time corrections made to the diary by Che himself and a preface by his daughter Aleida .

“Reflects the life of an extraordinary and important man.”—*Library Journal*

“When Che Guevara cast his lot with Marxism and revolution the world of letters suffered an incalculable loss. Guevara is a brilliant, thoughtful writer. He is lucid, candid and revealing.”—*The Cleveland Press*

Features of this new edition include:

32 pp black and white photos
