Presented for the first time as a Special Edition are Books One and Two of Natalie Wild's Bestselling series, 'Wild At Heart'.

Blake is the Alpha type, and he is not about to take orders, especially not from the raven haired beauty with the big blue eyes and willowy figure who thinks she is in charge. It does not take long for things to start heating up in the boardrooms, and the bedrooms as they engage in a battle of wills that will rock them both to the core!

Ruthlessness is not just an adjective at the high-powered Madison Avenue advertising agency that Mallory Grant works for, it is a requirement. Mallory plays the high stakes games well, and loves it. Fiercely independent and feisty she is known for her ability to write ads alone for the most difficult of customers, so imagine her surprise when her boss announces that she is about to be paired with Blake Rider, the sexiest man, and the most merciless executive in the agency.

She has no choice however, it is work with Blake or lose her position—the agency has decided to downsize and only one team can win the big prize: raises, better offices and continued employment. But will Blake work with her, or is she doomed to fail?

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
