It's all about poetry, I've put together a compilation of different phases of where I've been in mind, body and soul. It is my utmost hope, that I'll be able to "take you there" where you can experience even a little of what I was feeling while penning these words.

One might wonder why did the Author choose such a title as a theme for a selection of poems. My perception of rain... and we all know the obvious but as a poet my thoughts simmer in many places. Rain can depict sadness, pain but also happiness and soothe the soul.

Perhaps you'll hear the sound of love trickling through, or feel a tear in the corner of your eye, perhaps you'll smell the pleasing scent or romance or see a shadow of sadness at a glance.
