All the Tea in China: A Novel Kyril Bonfiglioli

**In this hilarious novel, Bonfiglioli takes us back in time to an ironical maritime romp?Master and Commander by way of Monty Python.**

Inspired by a shotgun blast in the seat of his breeches, young Karli Van Cleef quits his native Holland to seek his fortune. He arrives in early Victorian London and soon he is turning a pretty profit. But Karli sees that true opportunity flowers in India's fields of opium poppies and the treaty ports of the China coast. So he takes a berth in an opium clipper hell-bent for the Indies. It is a journey beset with perils. Karli is confronted by the mountainous seas, high-piled plates of curry, and the ferocious penalties of the Articles of War. He survives the malice of the Boers, the hospitality of anthropophagi, and the horrors of Lancashire cooking. En route he acquires some interesting diseases, dangerous friends and enemies, a fortune, and a wife almost as good as new.

#### **Sheila Rivera:**

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring in addition to can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this All the Tea in China: A Novel can make you truly feel more interested to read.
