Get ready for the hottest collection of short stories on Amazon (over \$11 value!). There is nothing hotter than **TABOO** fun! This collection of four stories feature sexy **BRATS** and **PRINCESSES** having fun with **THE MAN OF THE HOUSE** and other **GUYS** that should know better...

The four stories inside are:

Little Princess's Birthday wish

Young and tight and not so innocent...

Her mother left a year and a half ago. Without a word of goodbye, she ran out and left her husband Jack to look after Darla and his own son Todd.

Darla's not too upset, she likes Jack... a lot... and her mother always was a cool, aloof kind of woman. Jack was too good for her. He calls the gorgeous 18 year old his princess and looks after her better than her mom ever did. Darla knows he has taken her under his wing because he feels guilt about the breakup and that's okay, as long as she gets him all to herself. You see, under her pretty, innocent exterior, Darla harbors desires that would shock the man of the house if he found out.

Tasting the Brat

She is the hottest girl in his freshman year, and now their folks are moving in together. How is he going to live with the little brat he's been dreaming about for so long?

Being a nerd is hard, even for a relatively good looking one like Ben. Little **brats** like Chrissy Andrews just don't notice him. When he moves into her home he's excited, but knows that nothing will happen... of course that doesn't stop him **obsessing** over her day and night.

Of course, he didn't anticipate the **hot brat** catching him right in the act, but she does.

There is only one way to handle it, to let it all hang out and let her know exactly **what he thinks of her...**

What she does next surprises the hell out of him and he decides he **has to have her....** no matter what the consequences.

Brat on the Beach

The little brat never had an attraction to older men before...

But ever since Suzy and her friends stumbled upon the nudist beach, she hasn't been able to stop thinking about the handsome older man.

Was it just the fact that he seemed to find her the most attractive of her friends? Or was it that he was so in control, so **unashamed** standing naked in front of a bunch of giggling 19 year olds?

Whatever it was, even as the girls ran from the beach in fits of laughter, somehow Suzy knew she would be back...

A Little Brat in Prison

This little brat is in trouble

Roxy Hunt got caught doing a bad thing for a bad guy that her parents had warned her about. Her rich mother and father have as good as disowned her and now the beautiful 19 year old is headed to Prison for four and a half years.

Her lawyer has told her it won't be so bad if she keeps to herself... but she lied. No one as young and pretty as Roxy gets the option to keep to herself in Lafta Women's Correctional Facility and her troubles begin the second the prison guards come to collect her.

Why the hell does he need to body search her when it's already been done?
