Protestants claim that their religions are founded upon the Holy Scriptures. They also claim that the Bible is the sole rule of faith. If they are working from a faulty translation of the Bible, it is more probable that they will be led into error on important points of the Faith of Jesus Christ. For religions based upon the Bible, accuracy of translation is paramount. So this work will prove quite useful for those in such religions. For the Catholic, it will help them understand why their Protestant brethren do not understand the Catholic religion.
