Ask not for whom thy wolves come, Varra. KNOW... We come for you. Tiara "Tee" Greenwolf might be the Princess of Detroit, one of the baddest state packs in the shifter nation, but the truth is, she's a HUGE nerd-- and a strange one at that. The founder of a successful video game business, she spends most of her time in her rooms, more committed to creating her company's next bestseller than her love life. Still it hurts more than a little when she catches her fiancé cheating on her. Even worse, her ruthless Alpha King father is insisting she marry him anyway! Tee escapes to Alaska for a quiet workcation, hoping to leave all that drama behind in Detroit. Only to have not one, but two crazy-hot, time-travelling Viking shifters show up in the small town where she's hiding out. These two Viking brothers are hardcore. They're super-intense. They both want her to be their mate, and they are absolutely not taking no for an answer. Ooohkay, not exactly the quiet workcation she'd hoped for. Gulp. Tee is no Little Red Riding Hood, but she's more than a little afraid of getting eaten up by these two Viking wolves. What they want from her is dirty, and completely wrong. So wrong. Like wronger than wrong. So then why is she having such a hard time resisting them? Tee has no idea how this story will end, but one thing's for sure: It's going to be epic. Find out what happens in the latest paranormal shifter interracial romance from Theodora Taylor's wildly popular 50 Loving States series. But reader BE WARNED, this novel is smoking hot to the touch. If two Viking brothers claiming one innocent nerd HARD isn't your cup of wolf, DO NOT one-click this extremely sexy MFM romance, which proves that what Vikings want, Vikings get. All. Night. Long.
