**Go west with #1 New York Times bestselling author Linda Lael Miller and fall in love with the cowboys of THE Montana Creeds!**

Whether winning championship belt buckles or dealing with Hollywood types, former rodeo star Tyler Creed can handle anything. Except being in the same place as his estranged brothers. Yet here they are, all three of them, back in Stillwater Springs. They're barely talking but, despite that, they're trying to restore the old Creed ranch—and the Creed family.

Lily Kenyon knows all about family estrangements and secrets. The single mom has come home to set things right and to put down roots for her daughter. The last person she expects to see is Tyler Creed, whom she's loved since childhood. Now the handsome, stubborn cowboy who left home to find his passion just might discover that it was here all along, under the Montana sky.
