In this book I unmask what I consider to be one of the greatest adversaries of this century, the spirit of “Pharmakeia.” This spirit controls the pharmaceutical industry worldwide. Millions of people are captive, believing the answers to their sickness is found in medication. Within these pages, you will read things you never imagined could be true. You will get to know the real purposes behind the great drug companies and their spiritual undercurrents.

You will understand the origin of sickness, how to destroy it in the power of Jesus Christ, how to break the bonds of “Pharmakeia” and the structure it has built up in your mind and in your body to kill you. Dr. Ana Méndez Ferrell.
