Central High School, 1976. The school was in an old large building in downtown Tulsa, and this was going to be the best year yet. When a group of kids decided to join a new club, they had no idea what they were getting themselves into. They thought it would be so cool. Imagine learning spells, developing powers, concocting potions, and doing good things for mankind. They were the Wiccans, the new witches on the block. Wicca was the Old English term for witches. The Wiccan Rede is the rule of conduct, that all witches must follow while practicing witchcraft. It rules that a witch may engage in any action, as long as their action is carefully considered, and their actions harm no one, not even themselves. witchcraft is ruled by the Threefold law, which is the belief that any action taken by any witch that affects another person, will come back to that witch threefold, whether it be harm or good. Sami was a good witch, but an evil warlock wanted her on his dark side, and he would do anything to get her. Hunter knew what was going to happen. It was up to him to save everyone, especially the girl he loved.
