Integrate the power of media for a cutting-edge curriculum

This book by a leading authority on media literacy education shows secondary teachers how to use media to help students access, analyze, evaluate, and communicate messages in a wide variety of forms. The author demonstrates how to incorporate media literacy into the secondary classroom, providing the tools teachers need to:

- Effectively foster students' critical thinking, collaboration, and communication skills
- Integrate media literacy into every subject
- Select meaningful media texts for use in the classroom

A companion website offers video demonstrations and sample lesson plans.
