**George Conner:**

As a scholar exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Lonely Planet USA (Travel Guide) can make you truly feel more interested to read.
