## **On Writing Well Audio Collection** William Zinsser

This expanded audio collection presents William Zinsser's *On Writing Well*, the classic teaching book that has sold more than 1 million copies, together with a new 90-minute section that tells you how to write a memoir.

Based on a course that Zinsser taught at Yale, *On Writing Well* has long been praised by writers, teachers, and students for its sound advice, its clarity, and the warmth of its style. It's for everybody who wants to learn how to write or who needs to do some writing to get through the day. Whether you want to write about people and places, science and technology, business, sports, or the arts, this is the definitive guide to the craft of nonfiction.

Part II of this collection, on memoir, personal history, and family history, tells you in helpful detail how to write the story of your life: who you are, who you once were, and what heritage you come from. Throughout, Zinsser refers to the work of many successful memoir writers, including Frank McCourt, Annie Dillard, Russell Baker, and Eudora Welty, to demonstrate how they solved the problems of selection, compression, focus, and tone that every memoir writer struggles with.
