Spanish photographer Eugenio Recuenco has gained widespread acclaim as a noted advertising and fashion photographer. With other-worldly narratives of great vitality, his complex signature style uses elaborate handmade scenery and contains multiple references to art history - the Renaissance, Picasso, Tamara de Lempicka just to mention a few of his varied influences. A highly cinematic photographer with an innate storytelling flair, it is hardly surprising Recuenco has also created a number of award-winning short films. This edition includes the book in a beautifully produced clamshell box along with a portfolio containing a signed and numbered photo print. English/German/French/Italian/Spanish edition.
