Snow Fire Norah Hess

She is lost. Blinded by the swirling storm, Flame knows that she cannot give up if she is to survive. Her memory gone, the lovely firebrand awakes to find that the strong arms encircling her belong to a devilishly handsome stranger. And one look at his blazing eyes tells her that the haven she has found promises a passion that will burn for a lifetime. She is the most lovely thing he has ever seen. From the moment he takes Flame in his arms and gazes into her sparkling eyes, Stone knows that the red-headed virgin has captured his heart. The very sight of her smile stokes fiery desires in him that only her touch can extinguish. To protect her he'll claim her as his wife, and pray that he can win her heart before she discovers the truth.
