The Diary Of An Expectant, Hapless & Inexperienced Father: Pregnancy - nine months Pete Sortwell

All Three Diary books featuring Graham Peterson.

The Diary Of An Expectant Father

Not only is Graham Peterson unlucky in his choice of careers, he's also been terrible with women throughout his adult life. That changes when he meets Alison on a work night out. Unfortunately for Graham, however, things change so drastically that within a month of dating Alison he gets the news that he's about to become a father for the first time.

'The Diary of an Expectant Father' charts the months leading up to what should be the happiest day of a young couple's life, but with a relationship so new and a career so bad, can Graham keep everything together for the sake of his unborn child?

With all the pitfalls and worries of an expectant father charted, this book is for all those who have been through pregnancy or just want to know how a man deals with all these things internally.

'Expectant Father' is the first in a series of diaries by Graham Peterson, who sometimes thinks he's writing to an Alien Warlord from the future. The next in the series, 'The Diary of a Hapless Father: Months 1-3', charts those first three terrifying months of parenthood.

The Diary Of A Hapless Father: months 0-3

Not only is Graham Peterson unlucky in his choice of careers, he's also been terrible with women throughout his adult life. That changed when he met Alison, but within a month of meeting, he got the news that he was about to become a father for the first time.

'The Diary of a Hapless Father' charts those first three terrifying months of parenthood. With all the angst and fear of a new father, Graham needs to pull his socks up if he's going to become the father he always dreamed he would be.

With all the pitfalls and worries of a new father charted, this book is for all those who have been through early parenthood or just want to know how a man deals with all those things internally.

'Hapless Father' is the second in a series of diaries by Graham Peterson, who sometimes thinks he's writing to an Alien Warlord from the future. The first in the series, 'The Diary of an Expectant Father' is available on Amazon.

The Diary Of An Inexperienced Father: months 4-9

Things were looking up for Graham Peterson in both his career and his love life at the end of the last book, 'The Diary Of A Hapless Father: months 0-3', but things were never going to stay sweet in Graham's garden for long. Having had his proposal to Alison refused and at risk of losing his new job before he even starts, 2013 isn't off to a good start at all. One of the only things keeping poor old Graham going is knowing that the first three terrifying months of his son Charlie's life are behind him.

Over the course of six months, in 'The Diary Of An Inexperienced Father' Graham realises just how inexperienced he is not only at being a father, but also in his other relationships and outlook on life.

The only question is, can Graham get his life on track before Charlie is old enough to form an opinion of his dad?
