**The Musical Brain: And Other Stories** César Aira

**A delirious collection of short stories from the Latin American master of micro-fiction.**

A delirious collection of short stories from the Latin American master of microfiction, César Aira—the author of at least eighty novels, most of them barely one hundred pages long—*The Musical Brain & Other Stories* comprises twenty tales about oddballs, freaks, and loonies. Aira, with his *fuga hacia adelante* or "flight forward" into the unknown, gives us imponderables to ponder and bizarre and seemingly out-of-context plot lines, as well as thoughtful and passionate takes on everyday reality. The title story, first published in the *New Yorker*, is the *creme de la creme* of this exhilarating collection.
