Who's Who in Africa Alan Rake

This book puts a spotlight on the political leaders of the ever-changing African continent. Concentrating on those in power, those recently in office who are likely to make a comeback, and those struggling to reach the top, it is particularly significant at a time when most African countries are changing from single party rule to multi-party democracy. The pattern of leadership has seen convulsive change over the last two years.

Containing lively descriptions of Black Africa's top leadership, the book gives essential *curricula vitae* and goes much further, weighing the political importance and potential of hundreds of top personalities. Probing beyond the bare facts and dates, Rake puts the top leaders in true perspective.
