**Administrative Law (Administrative Law (Sage Publications))** Steven J. Cann

In this new edition, author Steven J. Cann once again enlivens the topic of United States administrative law through the use of recent and "classic" legal cases to make it accessible and interesting to students.

**Administrative Law, Fourth Edition** is an engaging casebook that presents a unique problem-solving framework that contrasts democracy with the administrative state. This novel approach places the often complex subject matter of U.S. administrative law into a more comprehensible context. The **Fourth Edition** has been completely updated and revised and includes many new cases to reflect changes in the law since the year 2000.
