**America II** Jack The Turtle

Whatever happened to the American Dream?

America II is the story of a great nation that is now, for the first time since its birth, failing to live up to its promises to a majority of its citizens.

A story of what one middle class citizen, “Jack the Turtle” sees as being required for that promise to be restored, and for America to again be a beacon for all nations to follow.

The clock is winding down on the Great American Dream, even as you are reading this.

But it's not too late.
