**Noah's got a gorgeous smile. The sexiest man on Earth. Make that *above* Earth.**

Cora Gabbaro faces a terminal diagnosis with a short future. But it won't matter if she can't survive her interview with the most wealthy recluse in history, Noah Sinclair.

She's determined to keep it strictly professional. He's got other ideas. Sure, he's panty-melting hot. But she needs to know why he chose her to receive the message the world is desperate to hear.

If she can just keep her mind on the job...
