## **Jesus Potter Harry Christ: The Fascinating Parallels Between Two of the World's Most Popular Literary Characters** Derek Murphy

*A controversy over the historical Jesus has been raging for 2,000 years.*

A century ago, biblical criticism had revealed Jesus Christ to be almost entirely based on pre-existing mythology. Since then, conservative biblical scholars have regained the discipline and convinced the world that - whatever else Jesus Christ was, he was undoubtedly historical.

*Jesus Potter Harry Christ* identifies the similarities between Jesus and Harry, to demonstrate that both J.K. Rowling's magical series and the biblical gospels are literary fiction based ancient mythology and astrological symbolism.

*Discover the secrets that biblical scholars don't want you to know*

What the experts are saying

"For those whose minds can ask questions freely without the enforcement of dogma, Derek Murphy raises a genuine argument which Christian apologists have no answers to besides merely repeating their dogmatic convictions in the hope that re-asserting the dogma will confirm it as truth." --*John Thomas Didymus, Goddiscussion.com*

"Whether or not one agrees with Murphy's ultimate position, and whether or not one agrees with his arguments that Jesus was entirely (rather than mostly) mythic, *Jesus Potter Harry Christ* is well worth wading through, and wade through it one must, simply because of the sheer mass and volume of evidence the author provides. Make this a book whose pages you dog-ear for further reference and second readings." --*Tim Callahan, Skeptic magazine's religion editor and author of the books "Bible Prophecy" and "The Secret Origins of the Bible"*

"Murphy sifts through various mystery religions and myths of a dying and resurrecting god, and their possible influence upon the Gospel story. For once, it's done tastefully and without sensationalism. Maybe you've read works by Freke, Doherty, and Harpur. Without trying to foist a Gnostic version of Christianity on me, and without succumbing to overzealous scholarship, Murphy gently yet forcefully introduces the strong similarities between Christianity and other first-century religious philosophies and mystery cults, concluding in the strong likelihood that Jesus was a mythical savior." --*Lee Harmon, author of "Revelation: The Way it Happened"*

"In the newly-released (and blasphemously-titled) *Jesus Potter Harry Christ*, Derek Murphy makes the case that J. K. Rowling -- the author of the Harry Potter series -- achieved her success by tapping into some of the deepest and most ancient longings of the human heart. These same longings, Murphy argues, compelled first-century pagans to construct what he calls "the Jesus myth." Murphy points to similarities between the Gospel accounts of Jesus' virgin birth, His passion and His return from the grave with the myths of pagan idols like Isis, Sarapis, Horus and Apollo, Murphy hopes to convince his readers that Jesus -- just like the

gods of mythology -- is fiction. In fact, he believes that Jesus is just an amalgam of history's best myths."  
--*Chuck Colson, Christian leader and cultural commentator*
