Noble World Order (Volume 1) William A Johnson

What would the world look like if we made the right choices between 2012 and 2014? Hard to imagine you say? Then this book is for you. From economics to religion to pollution, many topics are discussed and the solutions revealed as this story unfolds. 2012 goes down in history as the year of the great change. A vast economic storm rumbles across the world. Old corrupt institutions fall away. One last effort at the final consolidation of ultimate power is made, and humanity has its' greatest test. All of human history faced the proverbial fork in the road, which was to either stumble blindly on the old paths, or adapt to the illuminated truth of the future. It's now the year 2023, and the world has spent the previous decade souging off the least vestiges of tyranny. Just as America had been the example of innovation in the past, so too now is she leading the wave of ingenuity and liberty. The Hegelian Dialectic is now more fully understood in how it shaped the past and undermined free will. community leaders come together to decide upon the issue of monopolized political power. The people of 2012 have reached a new standard of community involvement and vigilance of their rights. They remind themselves of the progress they have made to prepare for this important vote tonight, the result of which will affect generations to come.
