Terri Cheney

The Dark Side of Innocence: Growing Up Bipolar Terri Cheney

The *New York Times* bestselling author blends a pitch-perfect childlike voice with keen adult observation as she shares her heartrending, groundbreaking insider's look into the fascinating and frightening world of childhood bipolar disorder.

Starting with her first suicide attempt at age seven, Terri Cheney was held hostage by her roller-coaster moods, veering from easy A-pluses to total paralysis, from bouts of obsessive hypersexuality to episodes of alcoholic abandon that nearly cost her her life. On the outside, her world appeared perfect. She was pretty and smart, an academic superstar and popular cheerleader. Yet her inner world was chaos, a well-guarded secret too troubling, too painful to fathom even thirty years later in her bestselling memoir, *Manic*, which was lauded as “chilling” and “brilliant” by *People*. In *The Dark Side of Innocence*, her eye-opening follow-up, Terri shares her poignant and compelling journey from a childhood of disaster and despair to hope and survival, an informative first-person account of a dark beast that preys on a staggering one million children.
