## **The House of Godwinsson** E. R. Punshon

Bobby Owen leaves his Scotland Yard desk work to inspect a corpse at a hospital mortuary, because, for some mysterious reason, amongst Joseph Parsons' effects is a detailed map of the London flat which Bobby and his wife Olive have recently rented. The fact that Parsons had died from a bullet wound gives Bobby Owen a good incentive to identify the man, not to mention tracking down his slayer. Parsons' body was discovered in Angel Alley in London's East End. But what has that district to do with the esteemed country gentleman Colonel Godwinsson, his sons, and his god-daughter Lady Geraldine Rafe? And where does the vicious gangster Cyrus King and his mob fit into the picture? It doesn't take Bobby Owen long to begin to unravel the mystery and to stir up a veritable hornets' nest of intrigue. This is the 25th novel in the Bobby Owen series.
