The Sisterhood Helen Bryan

Menina Walker was a child of fortune. Rescued after a hurricane in South America, doomed to a life of poverty with a swallow medal as her only legacy, the orphaned toddler was adopted by an American family and taken to a new life.

As a beautiful, intelligent woman of nineteen, she is in love, engaged, and excited about the future—until another traumatic event shatters her dreams. Menina flees to Spain to bury her misery in research for her college thesis about a sixteenth-century artist who signed his works with the image of a swallow—the same image as the one on Menina’s medal.

But a mugging strands Menina in a musty, isolated Spanish convent. Exploring her surroundings, she discovers the epic sagas of five orphan girls who were hidden from the Spanish Inquisition and received help escaping to the New World. Is Menina’s medal a link to them, or to her own past? Did coincidence lead her to the convent, or fate?

Both love story and historical thriller, *The Sisterhood* is an emotionally charged ride across continents and centuries.

From reader reviews:

Debra Sudduth:

In this time globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of referrals to get information example: internet, paper, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. Often the book that recommended for your requirements is The Sisterhood this guide consist a lot of the information with the condition of this world now. This book was represented just how can the world has grown up. The terminology styles that writer require to explain it is easy to understand. The writer made some research when he makes this book. That's why this book suited all of you.

Christina Pena:

Many people spending their time frame by playing outside together with friends, fun activity together with family or just watching TV all day long. You can have new activity to spend your whole day by studying a book. Ugh, do you think reading a book really can hard because you have to take the book everywhere? It alright you can have the e-book, having everywhere you want in your Smartphone. Like The Sisterhood which is finding the e-book version. So , try out this book? Let's observe.

James Waddell:

Is it you who having spare time after that spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This The Sisterhood can be the respond to, oh how comes? A book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

Mark Morrow:

As a student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Sisterhood can make you experience more interested to read.
