Astro-characters starts with a guide to creating vibrant, believable characters. The twelve zodiac archetypes then share their intimate secrets, letting the reader into the quirks, flaws and foibles that are so fascinating to readers and essential for a writer. Simply decide whereabouts in the year a character was born, throw in a couple of curved balls, the moon and the rising sign – mix them around a little and there you have it. A multi-layered, tailor-made protagonist to fit any plot with no astrological knowledge required. The book tells you everything you need to know.
