Words from the author:

"Hi. My name is Scott.

I want to tell you why *The Complete Beginner's Guide To Chess* is worth your time. This September, I'll have been playing chess for 18 years. In that time, I've played a lot of chess, and I've read a lot of chess books. Too often, these books recommend lengthy analysis and tons of memorization...

Instead, *The Complete Beginner's Guide To Chess* focuses on principles you can apply to any position in any game. Learn what to look for, what to avoid, and most importantly *how to think like a chess master*. You'll learn the 4 basic rules of chess strategy. Specific tactics like the pin, skewer, and discovered attack. Important ideas like king safety, center control, and piece value. I also tell you how to best continue learning chess after you've mastered the basics in this book.

All the best,
Scott J. Harris"
