## **Life on the Run** Bill Bradley

Almost two decades after its original publication and more than fifteen years after its author retired from the New York Knicks to become a United States senator, Bill Bradley's account of twenty days in a pro basketball season remains a classic in the literature of sports, unparalleled in its candor and intelligence.

Bradley takes readers from the court to the locker room, from the seamless teamwork of a winning game to the loneliness of a motel in a strange city. We see Bradley and his fellow Knicks as they withstand the abuse of the press and the smothering adoration of their fans, along with the shameless appeals of those who want to parlay their celebrity into a fast buck. We watch in horror as Earl Monroe is beaten outside Madison Square Garden barely an hour after twenty thousand people cheered him. And we come to understand the euphoria and exhaustion, the icy concentration and intense pressure, that are felt only by those who play basketball for keeps.
