Merrick has a job. A girlfriend. A life. But upon the death of his father, he learns that his past is a lie and that he belongs to an ancient species whose members command the elemental forces of nature.

Lost in an unfamiliar world of magic where even trees and rocks are sentient, he sets out on an epic journey that takes him across the globe, and even to the birthplace of the formless, ethereal dragons themselves, as he searches for his creation name—the key to unlocking his magical potential.

But Merrick's not the only one interested in his name. His sociopathic brother, Eudroch, wants it as well, and he's willing to do whatever it takes to steal Merrick's power, so that he can use it to fulfill a deadly prophecy.

To stop Eudroch from destroying the world, Merrick must survive his training, struggle against betrayal and treachery, and overcome the trials of the four elemental dragons, as he races to discover his true nature before it's too late—for everyone.
